Fred, are we still operating on the model that I cover the background and investigation history and you do peer review?

Ayn,

Yes, I am still participating (as far as I know). Sorry for the disconnect. My understanding is that a meeting is being set up for us to discuss this tomorrow with Bob S. Stay tuned.

Fred

Will you still be representing ORD and discussing/answering questions on the peer review process? I plan to use the attached presentation- are you ok with slide #12? I can revise or remove it as you prefer.
